

Watercolor Works Online Class

Class Info – July 7, 2020

Pre-class Work

Watch and practice the techniques in these online lessons:

There is a pencil layout on the following page. Transfer the layout to a piece of watercolor paper. The pencil layout can also be downloaded from this link - <https://tonyconner.com/wp-content/uploads/2020/07/Watercolor-Works-Painting-Layout-1-scaled.jpg>

Materials:

There is a comprehensive suggested materials list here - https://tonyconner.com/wp-content/uploads/2020/01/Suggested_Basic_Watercolor_Supplies.pdf Use it as a guide – no need to purchase everything on the list. Working with what you are used to will help your learning. I'll make suggestions for good supplementary materials during class.

We'll be painting these two compositions during class
